1. Read Cash account current; Demand, collection and balance statements; Mortuary return; Progress report of works; Memo of visitors to the Srinivasa Mandiram Library; City Municipal Kannada Schools returns; Langarkhana return; Statement of materials; and Statement of rewards for the destruction of dogs and rats; and Return of prosecutions for September 1910.

Resolution.—Deferred as the Auditor's Report was received late and the cess accounts were not audited.

2. Read Government Proceedings No. 2432-90—Ml. 454-09-2, dated the 12th September 1910, sanctioning, with certain modifications, the budget estimates of the Bangalore City Municipal Council for the year 1910-11.

Receipts.

- (1) C-3, Conservancy Receipts.—As the amount actually realized under this head is Rs. 9,909, the figure proposed may stand.
- (2) Similarly the revenue under 'Land Revenue' shows an increase of Rs. 135. Hence the original figure may stand.

Expenditure.

The amount allotted under 'Printing' will not at all be sufficient even if the printing of notices and abstract proceedings is undertaken by the Government Press as heretofore. The amount may, therefore, be raised to Rs. 200.

The provision made under 'Lighting' was a clerical error due to oversight. As there are yet 160 kerosene oil lamps to be lit in the City, the amount at Re. 1 per light will come up to Rs. 160 per month, or Rs. 1,920 per annum with supervision charge at Rs. 10 per month. Including contingencies, the total cost amounts to Rs. 2,240.

The provision under 'Drainage' is also insufficient and as the low expenditure was due to the absence of a qualified Engineer, for about eight months in the year as already explained, the expenditure may be raised to the figure proposed.

Under 'Building' no provision is made. As a market at Akkipet is a necessity as also the Octroi Ookads as proposed already, the figure Rs. 9,000 proposed should stand.

Resolution—As the proposals submitted were well considered, Government should be approached to sanction the Council's proposals in their entirety.

3. Read Municipal Engineer's letter No. 517, dated the 10th September 1910, submitting plans and estimates amounting to Rs. 5,249 to open out a road connecting Malleswaram with Seshadripuram.

Resolution.—The lanes and roads in the City require first attention. This heavy estimate may, for the present, stand over.

4. Read Government Proceedings No. 2094-2104—Ml. 151-08-20, dated the 31st August 1910, passing orders on the proposal to reduce the existing rate of octroi duty on tobacco in some of the Municipalities in the Chitaldrug District and directing that the existing practice regarding the mode of taxation requires no modification and may continue.

Resolution.—Recorded.

5. Read Government Proceedings No. 2604-5—Ml. 98-10-4, dated the 14th September 1910, sanctioning the estimate for special repairs of Agrahar Tank Bund road for Rs. 965.

Resolution.—Recorded.

6. Read Government Proceedings No. 2836-9—Ml. 375-09-10, dated the 21st September 1910, sanctioning the sale of a piece of land measuring 485½ square yards near the City Railway Station adjoining the Magadi road to the Burmah Oil Company at 8 annas per square yard.

Resolution.—Recorded.

7. Read Government Proceedings No. 2953-5—San. 26-10-6, dated the 26th September 1910, directing the City Plague accounts for 1909-10, being audited by the Special Auditors who are auditing the City Municipal accounts.

Resolution.—Recorded.

8. Read letter No. 3133, dated the 1st October 1910, from the Excise Commissioner in Mysore, forwarding, for the consideration of the Council, a proposal to reduce the number of arrack shops in the City and observing that arrack is only a luxury and not a necessity of life and that an arrack shop is a source of danger in the event of any disturbance and that fewer the number, the better would be the supervision, etc.

Resolution.—In accepting the proposal of the Excise Commissioner, the Board resolves to have the opinion of the Deputy Commissioner and District Magistrate before finally disposing of the question.

9. Read letter No. 624—A., dated the 20th September 1910, from the Secretary to the Polo Club, XX Deccan Horse, conveying thanks to the members of the Council for the courtesy shown to the Club in having refunded thereto a moiety of the lease amount.

Resolution.—Recorded.

10. Read memo regarding the acquisition of shop No. 363, in the Avenue Road, belonging to Dibbur Rudrappa.

Resolution.—The matter is *sub judice*. The Board need not discuss the question.

11. Read the General and Revenue Secretary's docket No. 9937-8—Ml. 338-09-2, dated the 3rd May 1910, forwarding copy of letter No. 4951, dated the 12th April 1910, from the Sanitary Commissioner, suggesting an addition to Section 127 of the Municipal Regulation, with a view to prevent the commission of nuisances in public streets more effectively than at present, and calling for the opinion of the Municipal Council thereon.

Resolution.—There is no necessity for any provision in the Municipal Regulation. The Police have ample powers under the Police Rules.
